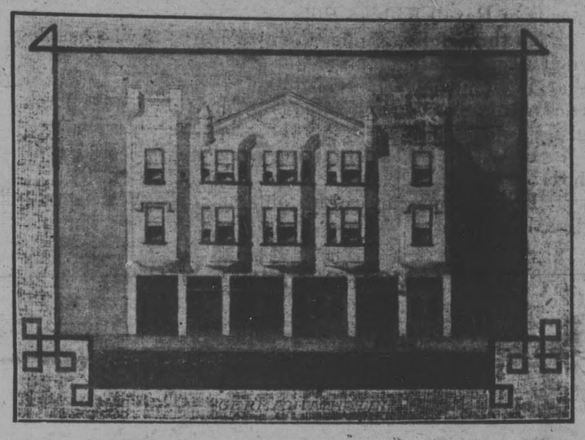
REDWOOD CITY MAN BUILDS NEW HOTEL



Handsome Building Erected at Point Richmond by E. Schumacher

The new Germania Hotel, now built at Point Richmond by E. F. Schumacher of this city, is nearing completion and will be ready to receive guests by the end of the present month. As soon as the new hoetl is ready for business Mr. Schumacher will move to Point Richmond and will take personal charge of the establishment, an assurance that the house will be kept in a first class manner.

As will be seen by the accompanying picture, published through the courtesy of the Point Richmond Independent, the new building presents a handsome modern appearance, following somewhat the old mission style. Of three stories in height, the building will contain something over 70 rooms, all furnished with every modern convenience. On the first or ground floor will be located the offices, club room, dining room and kitchen, bar room and rooms for the accommodation of the help.

The second floor, reached by a spacious stairway, will contain 30 rooms, besides two bathrooms. Each of these rooms will be provided with automatic call bells and stationary wash stands with both hot and cold water. Running through the building will be two wide hallways, leading to fire escapes. On the third floor there will also be 30 rooms, each equipped with modern conveniences, besides two bathrooms for the use of the guests.

Mr. Schumacher states that as soon as the building is completed it will be provided with handsome furniture and will be equipped to cater to the best trade. Point Richmond is to be congratulated upon this addition to its business community. Mr. Schumacher has had long experience in the hotel business, and during his residence in Redwood City has held the esteem of the public.

ATTORNEY MANSFIELD QUIETLY WEDDED SUNDAY.

At one of the quietest weddings of the season, Miss Elizabeth P. Winter, daughter of Mr. and Mrs. George W. Winter, became the bride of Albert Mansfield, city attorney of Redwood City, in the Methodist parsonage at 8 o'clock Sunday morning. Rev. William G. Trudgeon officiated.

The ceremony was followed by a wedding breakfast after which Mr. and Mrs. Mansfield left for a week's honeymoon on the coast. They will return and make their home in this city.

The marriage culminated a romance of several years' standing, which began when the two were schoolmates in the Sequoia high school of this city.

The bride is a native of Redwood City and a most loveable young lady. Mr. Mansfield is the eldest son of J. H. Mansfield, the popular sheriff.

SATURDAY-NIGHT CONCERTS BY THE LOCAL BAND.

The Redwood City band will give an open air concert Saturday evening at the corner or Main street and Broadway, at which the following program will be rendered:

March, "Entree."
Two-step, "Be Jolly, Molly."
Overture, "Superba."
Waltz, "Garden of Roses."
Schottische, "The Welcome."
Two-step, "Navy Blue."
Overture, "Princess."
March, "Gladiator."

Concerts will be given every Saturday night for the coming two months. G. C. Bradley is the director of the band and H. W. Jamieson, manager.

Electric Lighted Locomotives.

All of the locomotives of the Southern Pacific Company are rapidly being equipped with electric headlights. The system is the invention of one of the men in the Sacramento shops of the company and consists of a small turbine engine and generator. This engine has the power of generating thirty volts of electricity, sufficient for the headlight, classification lights and several smaller lights about the engine, all controlled by a switch in the engineer's cab. This does away with the inconvenience of using the old-fashioned torch at night when oiling locomotives.

Men's $10 and $12.50 suits, all reduced to $7.00 at Einsteins. Only a few left.

WOMAN'S CLUB WILL HOLD GARDEN PARTY NEXT WEEK.

The Woman's Club will open the season of 1911-12 Thursday, September 7th with a garden party at the home of Mrs. C. C. Cumberson. Admission to members will be by card of the current year, which can be obtained from the chairman of the membership committee, Mrs. G. H. Rice, or upon the grounds, September 7th. Guest cards may also be procured. A splendid program is being arranged for the afternoon. A tally-ho will start from the depot at 2, 2:30 and 3 o'clock and will take up passengers on Broadway or Main street. The round trip fare will be 25c. Applications for membership should also be sent to Mrs. Rice.

Thought to be Feigning Insanity.

Believed by the authorities to be feigning insanity, James C. Greelish, the former convict who shot and robbed Mrs. Lillie Guggenhime of San Francisco in the Home of Peace cemetery July 27, remained silent when called upon to plead to a charge of robbery in the Superior Court Monday morning. Judge Geo. H. Buck caused to be entered the customary plea of "not guilty" and set the trial for September 11. Greelish is an exconvict and was formerly confined in an asylum in

Council Appoints City Engineer.

The city council met Saturday evening and appointed A. W. Pioda city engineer. Mr. Pioda is an experienced civil engineer and surveyor, having served for many years in the engineering department of the railroad company. He has offices in the Drew Building and will solicit a share of the private work.

James Rolph Jr., the popular nonpartisan candidate for mayor of San Francisco, was in Redwood Saturday with his family and called on his old friend Tom Hind. During the day he motored to his ranch at Alpine and on Sunday captured one of the biggest deers of the season. Rolph is an agreeable gentleman and has many friends in this county.

C. D. Hayward, P. P. Chamberlain, J. F. Johnston and Carl Muller spent Sunday fishing at Santa Cruz. They were quite successful, having landed a large supply of salmon. The best catch of the day was made by Muller who captured a beauty weighing twenty-five pounds.

Will Take Tons of Paper.

The 22 constitutional amendments, together with arguments by Senators and Assemblymen, are now in the hands of the state printer on a rush order to be printed in time for the special election, October 10. Forty-four tons of paper will be used. State Printer Shannon has been forced to run off a supplement to the regular sheet of 25x38 inches. This condition resulted from the extended arguments and will mean an additional cost of $1200. The total cost of getting out the amendments will be $9000. Nine presses will be used. The amendments must reach the county clerks by September 10.

Sequoia Students Organize

At a recent meeting of the student body of Sequoia Union High School, the following officers were elected: President, Leora Harvey '12; vice president, Ray A. Griffin '13; secretary, Irene Dickey '14. The treasurer is appointed by Mr. McCrea and is one of the faculty.

A dance will be given Saturday evening, September 2, 1911 by the Three "C" Club at Woodside. A good time is assured to everybody attending. Music will be furnished by Mullen's orchestra. Dave Flynn will act as floor manager, assisted by Sid Dalve.

Every citizen of Redwood City is invited to attend the meeting at the courthouse Saturday afternoon at 3 o'clock. The Railroad Commissioners will be present and full consideration will be given to the subject of railroad fares down the peninsula.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

Now then, all hands, show that Redwood City is a live one.

Unfurl your banners today and dress up the town. Show our visitors that we are wide awake.

Let us all make a special effort to show the visiting members of the Development Association that we are with them, heart and soul, in the effort for better transportation accommodations.

Every business man of Redwood City and every person interested in the progress of this section should make it a point to attend the meeting of the Development Association at the courthouse this afternoon. It is essential that the visiting Railroad Commissioners should be impressed with the earnestness of the demand of the community for better treatment at the hands of the railroad company.

WHY WOMEN SHOULD VOTE

The best kind of work which can be done either in Federal, State, or Municipal government is the work which the male citizens now enjoy through the power of the franchise.

It is the work which calls or should call for the most careful consideration. "If the best work is done out side of party politics then why are men so anxious to continue in them. If it is good for women to be outside of party politics; it is also good for men and conversely, if it is good for men, it is good for women. Under what conditions and within whatever limits, men are admitted to the franchise, there is not a shadow of justification for not admitting women under the same. It is but natural to find that William L. Garrison, the well known agitator for the abolition of slavery, held exactly simular views, to those fighting for the recognition as one half the citizens of the United States. "Those are ruled by the law" said Harrison, should have the power to say what shall be the laws,and who the law makers. Women are as much interested in legislation as men, and are entitled to representation."

No plea could possibly be stronger, no argument more convincing, yet it is certain that the physislogical plausibility upon which the question is now made to turn, has caused some hesitation as to the advisability of giving support to the Female Franchise Movement. There never has been good reason for denying the Franchise to men or to women, any more than there have been good reasons in the defense of slavery, or anyother form of injustice or wrong. The question when properly understood, will be found to strengthen immeasurably the need for women's political freedom elevating it above class and sex distinctness to the level of broad humanity.

Why should the greater portion of one half of the human race viz—women—have to lead the dreariest and most hopeless of lives under class-made laws and social restrictions more oppressive than any disabilities under which men have suffered, and yet they are not allowed to have a voice in the election of those who make the laws for them. "To have a voice in choosing those by whom one is governed, is a means of self-protection due to every one."

REMINISCENCES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

In December, 1884, San Mateo county lost two more of its prominent pioneer citizens by death. The first of these to answer the call of the Grim Destroyer was Henry P. Coon, for a number of years a resident of HMenlo Park, where he occupied a handsome home. One among its earliest settlers, Mr. Coon had taken an active part in some of the most stir- of the state, being a member of ring scenes in the pioneer history the historical Vigilance Committee of San Francisco. He was a native of the State of New York, where he was born in 1812, and where he received his education. Yielding to the nautral desire for rapid wealth, he joined the gold seekers and made his way to this coast. He saw but little of the mines, soon settling in San Francisco, which city he served for two terms as mayor. Having acquired a splendid competence in 1868he retired from active business, and it was then that he purchased the property at Menlo Park that was his home for the remainder of his life. Death came as the result of an organic affection of the heart on December 5th, 1884.

On the evening of Sunday, December 7th, 1884, S. M. Meezes, the man who might in reality be termed the founder of Redwood City, passed to the Great Beyond, the final summons coming at his home near Belmont. Mr. Meezes came to San Mateo county among the earliest of its settlers, and had been an active citizen for more than thirty years. He was born in Porto Rico, of Spanish parentage, in 1822, and came to California in 1850. He soon acquired an extensive landed property, being interested in a number of the old Spanish landgrants in this and Santa Clara counties. Among these was the old Pulgas land grant, a portion of the present site of this city. The original plat of the city was made by him and for a number of years the town was called Mezesville in his honor. The funeral of the old pioneer of the town was held from St.Peter's eEpiscopal church, the services being conducted by Rev. A. L. Brewer of San Mateo.

On the last day of the year 1884 the organization of General George S. Evans Post, GrandA rmy of the Republic, was finally completed, the work of mustering in the organization being conducted by J. A. Calhoun, the editor of the Times and Gazette. For some time previous to this efforts had been made to induce the cCivil War veterans of this seceion to form a post of the Grand Army, but the veterans were somewhat scattered and it was slow work getting them together. After a number of efforts a sufficient number were secured and the preliminary meeting was held December 13th, when organization was decided upon. The first officers of the post were: Geo. E. Elkins, post commander; J. A. Calhoun, senior vice commander; B. A. Rankin, junior vice commander;, P. P. Chamberlain, quartermaster; Dr. L. D. Morse, surgeon; E. W. Thompson, chaplain; L. Bartholomew, officer of the day; Martin Wolff, officer of the guard; Henry Walker, adjutant.

In the closing month of 1884 the first step in another movement to place Redwood City in the ranks of modern advancement was taken, when the original effort to secure for the town an elecrtic light system was made. At that time decidedly-progressive ideas had its orig in with the town trustees, and it was directly under the authority of the town board that a meeting of the citizens of the town was held on the evening of December 15th to discuss the advisability of undertaking the project. While no definite results were determind, the sentiment of the gathering, which was largely attended, showed plainly that the people of the town desired the improvement. In fact the only objection offered to its immediate undertaking was the general desire to avoid the burden of a further bonded debt. Figures submitted by a representative of the California Electric Company, the only concern on the coast then handling that class, showed that the cost of installing a plant intended purely for street lighting would amount to about $3500. While there was a general objection to the issuance of bonds for the purpose it was made plain to the trustees that as soon as the beneral fund of the town could be used for the purpose the lights were desired.

On the evening of January 15th, 1885, District Deputy Grand Patriarch Clifford J. Owen, of San Jose, installed the following officers of Hope Encampment No. 60, I. O. O.: F. H. Thurston, chief patriarch; William Hadley, high priest; L. M. Howard, senior warden; Cornelius Evans, junior Warden; B. A. Rankin, scribe; C. Hadler, treasurer; J. W. Glennan, inside sentinel; C. J. Hynding, outside sentinel; F. Uhl, D. F. Hawkes; S. E. Davis and John Christ, watches.

The card party and dance given by the Mount Carmel Aid Society at Odd Fellows hall Tuesday evening was enjoyed by a large attendance. First prizes were won by Mrs. Minnie Gilbert and A. D. Walsh and the consolation prizes by Mrs Offermann and Gabe Einstein.

Mrs. Lizzie Danielson, the wife of Carl A. Danielson and a former resident of Redwood City, passed away in San Francisco on the 26th instant. The burial was at Mount Olivet cemetery Tuesday. The deceased is survived by her husband and five children.

The success of the meeting will depend largely on the number of citizens present and the arguments they are able to make. They certainly have a good case to present and let it be put forth with all the force and eloquence possible. Every town in the county will be represented at the meeting, rich and poor, alike will be there so that the commission will see that the people are in earnest in this all-important matter, that they demand a reduction in fares and are going to get it it takes all summer to do it.

He also asks for costs of suit.

Juanita Mendicoa has brought a suit in partion in the superior court against Jennie Robart and her husband Theodore Robart to partition the Mendicoa property in the Alpine district, consisting of four parcels of land containing 580 acres. She alleges in the complaint that her sister Mrs. Roberts has collected the rents of the property for the past eight years and has made no accounting to her of the money. She asks that the land be divided and their respective interests determined. Both sisters are joint owners of the real estate. If a satisfactory division cannot be made she asks that it be sold and the proceeds divided equally. Plaintiff also asks that defendant pay her share of the costs of the suit and the attorney fees. Louis Oneal of San Jose is the attorney for the plaintiff.

M. M. Millett has petitioned the superior court for a writ of mandate to be issued to Walter J. White, town clerk of Daly City, compelling him to appear in court on September 14th and show cause, if any he has, why he should not ascertain by the registration of the town if the petition filed for the recall and removeal of certain trustees of Daly City has the required number of qualified voters. Millett some time ago filed the petition with the said clerk for the purpose of calling an election for the recall and removal of Dennis Quillinan and T. J. Mullins. The clerk rejected the petition on the ground that it had not been signed by the requisite number of qualified voters. Millett claims that it has and wants White to certify, as to whether or not the petition is sufficient or insufficient. The trustees some time ago denied a liquor license to two saloon men and the suit is the result.

WORRIED FRESNO MAYOR TO RESIDE IN WOODSIDE.

A dispatch from Fresno states that W. Parker Lyon, the former mayor of that city and a capitalist has announced his intention of removing from Fresno permanently and locating in this county. He is driven to this, he declares, by the annoyance to which he and his family have been subjected by the receipt of anonymous threatening letters ever since he resigned the mayoralty three years ago. Lyon who is the richest man in Fresno, having about a score of business blocks and automobile garages, which he designates by numbers, has retired from active business and devotes himself to automobile tours and postage stamp collecting. He has not made public any of the threatening letters and states that he is not personally afraid, but that worry for his family is getting on his nerves.

Mr. Lyon recently purchased the pretty home of Volney Rattan near Woodside. He is looked upon as the reform mayor of Fresno.

Falls, Breaks Leg.

John Kerr, who has been employed on the courthouse grounds, accidentally broke his right leg Tuesday while on his way home from work. It was twenty minutes after 5. Mr. Kerr was walking along Main street when he stepped on an orange peel and was thrown violently to the sidewalk. Both bones below the knee were fractured. Mr. Kerr was removed to his home and Dr. Taggart called to attend him. It is thought that he will recover in due time.

NO REASON FOR IT

When Redwood City Citizens Show the Way.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of serious kidney ills when relief is so near at hand and the most positive proof given that these ills can be cured. Read what a Redwood City citizen says:

Fred Haussler, 101 Stambaugh St., Redwood City Cal., says: "My kidneys were disordered and the kidney secretions were unnatural. Knowing that difficulties of this kind often result seriously if allowed to go unchecked. I was anxious to get relief. Seeing Doan's Kidney Pills highly recommended, I got a box at F. A. Ryan's Drug Store and their use completly removed my trouble. In July 1907 I publicly testified in praise of Doan's Kidney Pills and at this time I gladly confirm that statement. This fact justifies my speaking more highly than ever of Doan's Kidney Pills."
